SCAD Diving ist eine neue einzigartige Freizeitanlage . Es ist weltweit das einzige System, welches kontrollierten Freifall ohne jegliche Anbindung ermöglicht. Der Teilnehmer begibt sich mit einem Speziallift oder Über die Außentreppe des SCAD - Turmes in die Auslöseposition in 50 m Höhe. Mobile Anlagen nutzen Gebäude oder Kräne. Dort wird ein Auslösesystem nach einem Countdown aktiviert.

Funktion positiv bewertet. International haben seit '97 Über 20.000 Personen einen CFF SCAD Dive gewagt und sind sicher gelandet.
